Join us for an hour of disciplined outdoor training - get in shape and support SLMOSF!

Help Us Build Warriors!

Since its inception in 2008, the St. Louis Military Officer Support Foundation has provided training - *free of charge* - to St. Louis area military cadets and recruits.

Our goal is to provide the supplemental physical and weapons training they need to not only survive, but *excel*.

These young men and women personify the values, dreams, and ideals that founded our country and risk their lives to protect it from harm. You can help us continue to give them an edge!

Attend a fundraising event (see calendar at left) or donate to SLMOSF today. It's tax-deductible and 100% of the proceeds benefit St. Louis area soldiers and recruits.
